Title: Estimates of Undernutrition among migrant/refugee children in lower-middle-income countries: A meta-analysis of published evidence from 2010-2022

Authors: Rounik Talukdar¹, Vivek Kumar², and Diplina Barman¹

1 ICMR – NICED, West Bengal, India

2 Deepak Foundation, India

Corresponding author & mail: Dr. Rounik Talukdar (talukdar.rounik1@gmail.com)

Withdrawal statement:

This manuscript is hereby withdrawn owing to the methodological flaws in inclusion criteria used, high heterogeneity and less generalizability of the results.
